

Liane del Valle

Ernst & Young LLP

Audit Manager

Liane del Valle is an Audit Manager in the Assurance practice of Ernst & Young LLP. Following the appropriate professional standards, she provides quality assurance services to clients ranging from financial statement attestation to internal control reporting.

Liane primarily serves a wide variety of real estate organizations, including both publicly and privately-owned developers, home builders, hospitality, management and other real estate related companies. She has performed attest services for the following select clients: Avatar Holdings, WCI Communities, Inc., Technical Olympic USA, Inc., Interval, Boca Resorts, Diplomat Properties, LP and North Bay Group. In addition, her primary client is Fresh Del Monte Produce Inc.

Liane received her Bachelor of Accounting degree from Florida International University and is the process of completing her Master of Business Administration with a concentration in Accounting at Florida International University. Liane has passed all four parts of the uniform CPA exam in one sitting and has over 6 years of accounting experience.

Liane sits on the Board of Directors and also serves as the Assistant Treasurer of the Cuban-American CPA Association. She is an active member of the Association of Latin Professionals in Finance and Accounting (ALPFA). She is also involved in other professional activities such as recruiting efforts for the firm and other projects benefiting the community.
